NOTICE: This is no official regular BIG BROTHER list but is one that is worked out by our friend John McCallum and is printed here for the information of our readers.

The OFFICIAL BIG BROTHER Postal Diplomacy Rating Scale is based ONLY on finished games and does not count team games or the variations of the original games.

Except for the one five-man game that is already through only seven (7) man games. (A full board) will count in the OFFICIAL RATING CHARTS printed by or for BIG BROTHER!

NOTE: Any Gamesmaster who does NOT put his zine in an envelope is foolish and is an insult to his players!

BIG BROTHER IS WATCHING YOU!
